## Photozig Albums does for you:

Transfers your digital photos and frees space in your digital camera

Builds albums and manages photo databases

Keeps track of all your pictures with tags and categories

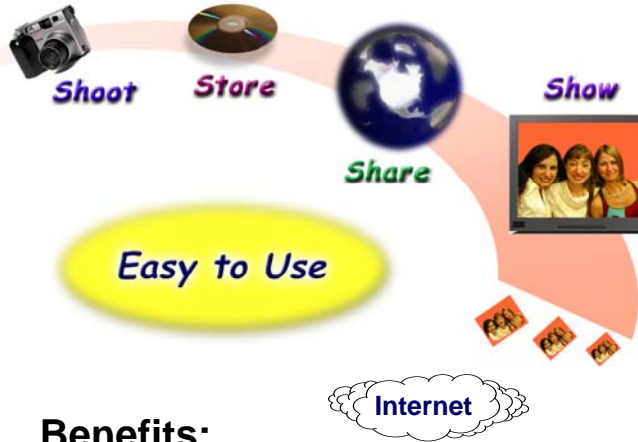

Creates slideshows with photos, movies and music

Generates web sites and photo blogs with your pictures

## How it works:

- 1 Take pictures with a Digital Camera
- 2 Transfer photos to your desktop computer
- 3 View photos
- 4 Organize, edit, save and search photos easily
- 5 Create photo albums on inexpensive CD's
- 6 Prepare and view slide shows quickly
- 7 Post pictures to the web smoothly
- 8 Print your pictures
- 9 Email, screensaver, and much more...

# PhotoZIG™
